Forecast For Northwest England
Issued by Met Office Exeter
at 1600 on Friday 20 Aug 2021

++ Valid for broadcast between 1800 and 0600

Headline:
A cloudy evening, turning wet on Saturday with heavy rain.

This Evening and Tonight:
Cloudy with rain moving in from the west, this will turn heavy and more persistent through the evening and overnight. This will be accompanied by a brisk breeze, particularly along coastal areas. A mild and rather humid night. Minimum temperature 15 deg C (59 deg F).

Saturday:
A wet start to Saturday with rainy conditions persisting through the day. Becoming heavy at times with chance of some thundery showers through the afternoon and evening. Winds becoming light. Maximum temperature 19 deg C (66 deg F).

Outlook for Sunday to Tuesday:
Drier on Sunday, sunny spells between showers. Largely dry with sunny spells on Monday, a chance of light showers during the afternoon. Fine and dry with sunny spells on Tuesday.
